About Us

DF Sports + Leisure Ltd. is an Irish based professional and friendly company which prides itself on its first class service and competitive pricing.

DF Sports + Leisure Ltd. is owned and run by David Fahy. David has been involved in both the Golf and Tennis business for over 35 years, handling the **Spalding** Brand in Golf and the **Tretorn** Brand in Tennis for over half that time.

Having always recognized the value of these great brands, he took over the distribution of both when they became available in 2006, with which he launched his own company, **DF Sports + Leisure Ltd.** His commitment to quality products and the development of both ranges has placed this company in the list of Ireland's leading Tennis and Golf Companies.
